

Virginia Career Works- Hampton Roads Region- SOUTHSIDE One-Stop Workforce Centers

A One-Stop Career Center, or One-Stop Workforce Center, is a location where a wide range of employment, training, and career education program services are available to employers, workers, job seekers and youth.

One-Stop Workforce Centers leverage public workforce dollars with other state and local funding; business resources; and foundation support to provide career development services for local workers and deliver workforce solutions to local employers.

One-Stop Workforce Centers offer a comprehensive range of services to help you find a job. Services provided through the Workforce Centers are funded through the U.S. Department of Labor so there's never a charge, although eligibility may apply for certain services. One-Stop Workforce Centers are members of the Virginia Workforce Network.

Who is Eligible to Receive Services?

Employers, workers and job seekers are customers of the one-stop career center. This includes businesses and industries, students, people with disabilities, veterans, TANF recipients, migrant and seasonal farm workers, unemployed, underemployed and even employed individuals.

Worker and Job Seeker services provided by One-Stop Workforce Centers include: Career Services (Basic and Enhanced), and Training Services. Virginia Career Works Southside services are funded through the US Department of Labor so there is never a charge.

Basic career services are available to everyone without any eligibility requirements. Enhanced Career Services and Training Services are available subject to program eligibility and funding limitations.
